## Triple-Track shaving heads

The three shaving tracks of the Triple-Track shaving heads offer 50% more shaving surface than standard, single track rotary shaving heads.

## Precision Cutting System

Ultra thin heads with slots to shave the long hairs and holes to shave even the shortest stubble.

## Super Lift & Cut technology

The dual blade system lifts hairs to cut comfortably below skin level.

## Washable shaver

The waterproof shaver can be easily rinsed under the tap.

## Precision tube trimmer
